VF Imagewear Purchased Products- Whites Creek Warehouse (ROCK) & Henning Warehouse Receiving Requirements

#### **Case Contents**

- \*Cases must contain only a single SKU.
- \*Individual product piece labeled with VF SKU information (sticker on front okay)
- \*Product in flat fold configuration for individual picking (no printers fold)

#### Case Size & Weight

\*Cases must have maximum dimensions of: Length 22" x Width 15"x Height 16" & maximum weight= 35 lbs

#### **Case Construction**

\*We request no staples in the box construction & no strapping.

#### Case label Information

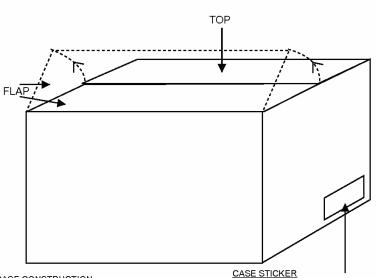

\*Size \*Quantity \*Case Number \*Purchase Order Number \*VF Lot SKU information on label

#### Case Label Placement

- \*Place on the lower right corner of the 15" side of the carton 1-1/4" up from the bottom & 1-1/4" over from the right side.
- \*Cases that are shipped without a VF Imagewear supplied barcode label should have the following:
- -The boxes should be numbered.
- -The VF PO Number, size, and quantity in the box should be noted on the outside of the box. \*Cases that are received from contractors that require a ship to address on the box need to have the address printed as small as possible and in one location only. This allows us to cover the address easily. If the contractor is not able to provide our barcode label, we request that the address information and any other labeling be applied in the bottom right corner so that we can cover it with our barcode label.

#### **Advance Shipment Notification**

- \*We require an ASN on all shipments. Tracking number, PO #, number of cases, pieces shipped, and pieces shipped per SKU, & these need to be faxed to 615-882-2327.
- \*We require a packing list on all shipments.
- \*Packing List needs to be attached to the first carton of the shipment & each packing list should include the following:
- -Cut Number or PO number for the shipment.
- -Each case should be listed by its seven digit case number or its box number.
- -Each case should also list the VF lot number, the size, and the quantity in the case.
- -If more than one PO or Cut is shipped together, each should be listed separately.
- -There should be a total for the number of cases and number of pieces.

CASE CONSTRUCTION
CASES MUST CONTAIN ONLY A SINGLE SKU
MAXIMUM DIMENSIONS: 22" L x 15" W x 16" H
MAXIMUM WEIGHT: 35LBS
